Shavuot is the Hebrew word for “weeks” and refers to the Jewish festival marking the giving of the Torah at Mount Sinai, which occurs seven weeks after Passover. Shavuot, like many other Jewish holidays, began as an ancient agricultural festival that marked the end of the spring barley harvest and the beginning of the summer wheat harvest. In ancient times, Shavuot was a pilgrimage festival during which Israelites brought crop offerings to the Temple in Jerusalem. Today, it is a celebration of Torah, education, and actively choosing to participate in Jewish life.

**Honoring Arlene Keller on Her Retirement**

Join us for Music Shabbat, Friday, May 1 at 7:30 pm, as we honor Religious School Principal Arlene Keller and wish her well in her retirement from Temple Beth El.

For decades Arlene has been an integral member of the TBE Family. Arlene’s passion for teaching and for learning has served her well in her roles as Principal, B’nai Mitzvah Club tutor and teacher to many 4th and 11th graders. Arlene is devoted not only to her students but to Temple families, teachers and staff as well.

Arlene and her husband Paul are the proud parents of Melissa and Sarri. Both of their daughters were TBE Madhchot and celebrated their B’not Mitzvah, confirmations and graduations from TBE Religious School. Sarri is a speech pathologist living in Chicago and Melissa, her husband Jeremy and their two children also call Chicago home. When not travelling back and forth to the Windy City to see her children and grandchildren, Arlene enjoys working on creative projects, knitting and sewing.
The Love Of Music!

America is a land of new beginnings. The hope inspired by its sights, sounds and people is at the heart of some of the greatest artistic achievements in classical music. This year’s Festival will mark its own new beginning with first-year Artistic Director Paul Watkins. The Welsh-born musician and conductor will lead a musical journey encompassing an eclectic blend of America’s classical and contemporary contributions to the genre, including a number of exciting world premieres. This season will bring many new faces, places and experiences to the Festival, but you can expect the same great music, great artists and great friends you have come to know and love.

Joining the Festival this year are a cast of famed chamber musicians, including: pianists Alession Bax, Ran Dank, Anton Nel and James Tocco; violinists Eugene Drucker, Stephanie Gonley, Jaime Laredo, Philip Setzer and Yoonshin Song; cellists Robert Demaine, Sharon Robinson and Paul Watkins; Kevin Brown on bass and David Buck on flute. Ensembles include the Detroit Chamber Winds and Strings, Eighth Blackbird and Emerson String Quartet. Shouse Ensembles include Altius Quartet, Calidore String Quartet, Donald Sinta Quartet, Excelsa Quartet and Sotto Amore Duo; composers include Mark Grey and Sleeping Giant. The Festival’s vocalist is Temple Beth El’s own Cantorial Soloist, Rachel Gottlieb Kalmowitz.

Subscription and individual tickets are now on sale. Call 248-559-2097 or visit www.greatlakeschambermusic.org.

The Jewish War Veterans, Department of Michigan Archives has recently received a donation from Russi Cherry Arden that relate to her late husband, Captain Allan Sheldon Cherry. Capt. Cherry was born in Union City Missouri in 1936. During the ensuing years, his family moved to the metropolitan Detroit area. Allan graduated from Central High School and studied at Wayne State University. He met his future wife Russi while she was a student at Mumford High School. Allan and Russi were married in 1959, two years after he had enlisted in the United States Air Force. Russi reminisced that “flying was in his blood.” She kissed him goodbye in July of 1967 as he departed for Southeast Asia. Sadly, his plane was shot down during an armed reconnaissance mission over North Vietnam five weeks later. According to the Casualty Data Report “Captain Cherry started a strafing run from 13,000 feet on a suspected truck park. [When] it became apparent that Capt. Cherry could not pull out of his dive his wingman called for [him] to bail out. The wingman received no response from Capt. Cherry and …observed[d] the aircraft until it impacted the ground…the wingman reported seeing no parachutes [and] could not make contact with the downed airman. Due to the hostile threat in the area, no formal search and rescue mission was launched.” Captain Cherry’s presumptive status was killed in action (KIA) body not recovered. In 1997 his remains were located, but they were not positively identified until 1999.

In January of this year, Russi donated the US Government’s official report outlining the forensic tests, photographs and evidence used to determine that the recovered remains were those of Captain Cherry. She also donated a MIA POW bracelet that was given to her in 2009. Kaye Medina had picked up the memento in 1993 at an air show in Illinois. Kaye spent many years trying to locate Captain Cherry’s family. Coincidentally, a Florida newspaper had printed an article about Russi’s attempt to return an MIA bracelet that she owned to the family of Colonel Sheldon John Burnett. Kaye spotted the article online, reached out to Russi and returned Captain Cherry’s bracelet to her. On behalf of the Jewish War Veterans – Department of Michigan, I thank Russi for entrusting the government’s report and MIA bracelet to the Archives for safe keeping. When we met, it was clearly evident that these artifacts were very precious to her. Placing them in the JWV Archives ensures that they will be treated with the respect and dignity that they deserve. To coincide with Memorial Day, during the month of May the Archives’ showcase (located adjacent to the Sisterhood’s Gift Shop) will feature a display about Captain Cherry. His collection has been given Accession Number 2008.023.015.

*I am using Russi Cherry Arden’s spelling preference for Captain Cherry’s given name. The government’s report spells it Allen.
We have come to the end of another Religious School year and it is time to check your homes, cars, backpacks, etc. for any overdue books. The notices will be going out soon to children and adults, so please help me save on postage by returning these volumes. There is no daily late fee, but you will be billed $18 for unreturned books. Remember, if you have enjoyed what you have read, it is only fair to return it to the Library for someone else to enjoy!

MONDAY, MAY 11

My Russian Grandmother and Her American Vacuum Cleaner
by Meir Shalev

Who can resist a book with a title like that? Shalev (A Pigeon and A Boy), brings to life his grandmother Tonia, the pioneers who gave his childhood on a kibbutz its spirit of wonder, and the grit and humor of people building new lives. “Grandma Tonia was never seen without a cleaning rag over her shoulder. She allowed only the most privileged guests to enter her spotless house. The fate of Tonia’s “svieeperrr” – hidden away for decades in a bathroom – is a family mystery Shalev determines to solve.”

Bagels & Books will meet in the Library at 10 am.
Bites & Books will meet in the Alpert Room at 7 pm.
The series cost is $30 ($25 for Friends of the Library & Sisterhood members.) There is a $10/session drop-in fee.

Author Appearance
Preparing for the Mystery, Getting Up Close with Mortality
Sara Davidson
The December Project
SUNDAY, MAY 3 at 9:30 AM
NO CHARGE

Mark your calendars to enjoy the Brotherhood breakfast and to stay and hear nationally acclaimed author, Sara Davidson, speak about her award-winning book, The December Project. An Extraordinary Rabbi and A Skeptical Seeker Confront Life’s Greatest Mystery.

“In 2009, New York Times bestselling author Sara Davidson was surprised by a call from Rabbi Zalman Schachter-Shalomi, founder of the Jewish Renewal movement, asking her to engage with him in what he called “The December Project.” At eighty-five, Reb Zalman wanted to teach people how to navigate the December of life and to help them “not freak out about dying.”

Davidson jumped at the chance. For two years, they met every Friday to discuss how getting “up close with mortality” quickens our ability to relish every day.

Woven through their talks are sketches from Reb Zalman’s life: escaping the Nazis; becoming an orthodox rabbi in the U.S.; landing in San Francisco during the sexual revolution; taking L.S.D. with Timothy Leary; befriending other faith leaders, including Thomas Merton and the Dalai Lama.
