WORDS, WORDS, WORDS...

We are now in the last book of the Torah - the book of Deuteronomy, or, in Hebrew, *D'varim*, which means words. It is Moses's long narration, his retelling of what has come before, and we will be in this book until the end of October, on *Simchat Torah*, when we complete our cycle.

In the musical, *My Fair Lady*, Eliza Doolittle sings, "Words, words, words, I'm so sick of words..." We can all feel that way. We talk with people with similar viewpoints about what is going wrong in the world, and we find ourselves in an echo chamber. We see more mass murders every day, and we don't know what to say to our children - how to make them or ourselves feel safe. I would like to offer a couple of items on which we *can* take action.

On August 1st, TBE hosted a community event to discuss the Jewish response to the crisis on the Southern border. There were rabbis from every single Reform, Conservative, Humanistic, and Reconstructionist congregation in Metro Detroit, as well as a few orthodox rabbis. Although with such a large group of rabbis, one has to expect an evening filled with words, this gathering was in itself an action - drawing together a community and offering wisdom and inspiration, as well as sharing resources. Here are a few local resources that were shared that evening.

1. MICHIGAN IMMIGRANT RIGHTS CENTER

<https://michiganimmigrant.org>

- *Legal resource center for Michigan's immigrants and immigrant advocates; provides free, high-quality representation across the state.*

2. JUSTICE FOR OUR NEIGHBORS

<https://jfonsemi.org>

- *Free, high-quality legal services to immigrants who can't afford an attorney.*

3. SOUTHWEST DETROIT IMMIGRANT AND REFUGEE CENTER

<https://detimmigrantcenter.com>

- *Provides low cost legal services to immigrants and refugees seeking to make a home in the city of Detroit, amongst other services.*

4. MICHIGAN SUPPORT CIRCLE

<https://www.misupportcircle.org/>

- *Supports the reunification of families by providing rides, housing, clothing and other essentials once families are released from custody.*

Another area in which we often feel helpless is in our relationship with Israel. So many of us love her with all of our hearts, but other than donating money or visiting, we don't know what we can do to have impact. I would like to share a way that takes only a few minutes and around 5 dollars. All over the world, January 21-March 11, 2020 is the election period for the World Zionist Congress.

The WZC is elected every 5 years, and the makeup of the Congress is determined by this vote. This is the only chance for Jews in the Diaspora to have a voice in Israel. We can vote for ARZA, the Zionist arm of the Reform Movement, and ensure that our voices are heard on issues that matter to us - the kotel, the recognition of non-orthodox rabbis, weddings, and conversions, LGBTQ+ and women's rights, as well as ensuring financial support for our movement in Israel. It is our chance to show Israelis that American Jews care about Israel and will take the time to vote. I am looking for volunteers to help mobilize our congregation.

VOTERS IN THE WZC ELECTIONS MUST:

- Be 18 years of age or older (by June 30, 2020)
- Self-identify as Jewish
- Agree to the Jerusalem Program, the official platform of the WZO and the Zionist Movement
- Agree to pay a minimal processing fee.

I will be leading a Nosh and Knowledge after Shabbat morning services on January 11 to give you more information about what this is, why it's important, and how to be a part of this important process. Please join me, and, as our *siddur* states, "let this be a time to be stirred and spurred to action."

THE HEART OF TBE

by JIM RICE

Temple Beth El Treasurer,
Executive Committee Member

Summer has concluded, and that means baseball season is drawing to its close, temperatures are dropping, the sun is setting earlier, and Judaism's High Holidays – Rosh Hashanah (the Jewish New Year) and Yom Kippur (the Day of Atonement) – are once again upon us.

The High Holidays are a blend of joy and solemnity, feasting and fasting, prayer and introspection, which

include the ten days in between: the *Yamim Noraim* (Days of Awe). During these powerful days, it is customary to address one another at Temple with the appropriate holiday greeting, and each day has its own special and traditional sayings.

We're all human, and everyone falls into a rut. That's why the High Holidays exist in the first place: to sing above the noise of our lives and to awaken ourselves with the call of the shofar to our original purpose as sons, mothers, lovers, citizens – as human beings. Due to the generosity, dedication and support of so many at Temple Beth El, spending this time of year together is an incredibly soulful experience.

There is a universal need for spiritual experience, for a sense of community and belonging all year round, but especially on the High Holidays. At TBE, we strive to provide moments of majesty and gratitude, of inspiration and serenity ... and every year, we are able to do more of this based on the support and generosity of our members.

On behalf of the Temple Board and my own family, I want to wish you a happy, healthy New Year as we all enjoy another memorable High Holiday season.

DANIELLE GORDON

DANIELLE GORDON

Program Director Danielle Gordon recently took and passed a national exam in perinatal mental health, making her the third in the State of Michigan with this certification. The Perinatal Mental Health Certification Program, through Postpartum Support International, creates a structure for professional education and evaluation, and a standardization of training and experience to inform families and payers of perinatal mental health specialists. The certification curriculum requirements build on existing evidence-based perinatal mental health certificate trainings, adding an advanced-training component.

As a licensed professional counselor, Danielle is passionate about the mental health of expecting and new parents. If you or someone you know is struggling while pregnant or postpartum, resources can be found at www.postpartum.net or by reaching out to Danielle.

WENDY & LENNY NEWMAN

LENNY NEWMAN

Lenny Newman was chosen as this year's Senior Citizen of the Year in Huntington Woods. This award was established to honor a resident who gives unselfishly of himself to help others and the community at large. Lenny embodies this in his work to enhance the relationship between senior citizens and children in Huntington Woods. For example, last year he mobilized 45 middle school students to rake leaves for 84 senior citizens. He created the Berkley Bear Card which allows seniors to attend athletic events and concerts at Berkley schools for free or at a reduced rate. He coordinated a dinner for seniors at Vinsetta Garage followed by a performance at the high school. He organized a reunion between 4th graders and their senior pen pals seven years later when the students were in 11th grade. This coming year he's planning a Tutor Corps where seniors can help children with their studies after school.

At Temple, Lenny volunteers as part of our Shiva Corps & Caring Community, leading shiva services in people's homes, visiting members in the hospital or at nursing homes, and driving seniors to and from Shabbat services. Lenny is a good neighbor, a caring volunteer, a community leader and a helpful friend.

RYAN GOODMAN

RYAN GOODMAN and ARI RICHARDSON

Ari Richardson is a past BETY President and entering freshman at The University of Michigan, and Ryan Goodman is a Junior and current BETY board member. Each participated in Be the CHANGE, (Choose High-Powered Action, Get Energized) a program through NFTY Michigan. Ari and Ryan engaged in learning with local experts and mentors on a social justice topic of their choice, and they created and implemented social justice programs with other Jewish teens from throughout southeast Michigan. Ari focused on inclusion in the LGBTQ community and Ryan focused on water shutoffs in Detroit and how they are affecting citizens. Both traveled to our state capital for Lansing Advocacy Day, and they spoke to state leadership about the topics they had become passionate about. They also presented everything they learned to our Monday night MASA high school students.

Ryan said ... "I was drawn to this particular topic because I couldn't imagine people facing a life without this basic need".

Ari said ... "After choosing LGBT+ rights as my topic, I set up a meeting with my principal to discuss how to help LGBT+ students feel more comfortable and welcome at school."

of the ECC*

**Tell us about yourself.**

I was born and raised in Bloomfield Hills. I have a degree in Communications from Michigan State University as well as a post-baccalaureate degree in Elementary Education, with a specialization in Early Childhood Education, from Baker College. I taught Kindergarten in Bloomfield Hills Schools before coming to Temple Beth El to teach in the 2's and 3's classrooms. My daughter, Nora, graduated from the ECC this past June.

In my new role as Assistant Director, I look forward to serving as a constant advocate for our TBE staff, families, and little learners. As both an ECC teacher and parent, I bring a unique perspective to the administrative side of the school. I'm excited to continue to make the ECC the special, warm place it already is.

What do you do in your free time?

I like to read, work out, try new restaurants, and spend time with family and friends.

What's your favorite food?

I love pasta or a really good Greek salad.

How long have you worked at Temple?

Four years.

What do you like about working at Temple?

I like the warm community feeling. The staff, families, and children are all so great. It's just a happy environment.

SHANA TOVA FROM THE FRANKLIN ARCHIVES!

GREETINGS FROM THE 1800'S

Check out these different Happy New Year cards from the 1800s! You'll notice not one or two, but three different languages on these notes. We are familiar with seeing both Hebrew and English messages at Temple, but it has been many years since German was included on Beth El's materials. These cards have classic Rosh HaShanah messages like "Happy New Year," "May You Be Written in the Book of Life," and "A Successful and Happy Year."

Some of you may already know that Temple Beth El was originally made up of mostly German-born or speaking Jewish members. But did you know that they even had services in German and decades after they started they still demanded that sermons would be delivered in German? The original Articles of Incorporation from 1851 stated that "...services shall be held according to the German Ritual (Minhag), and this shall not be changed as long as the Congregation exists under the name of Beth El." Even in 1867, when they changed that rule and allowed for "Minhag America" during regular services, they still kept the "old ritual" for High Holidays. The leadership even had to "remind the rabbi" in 1875 that "...he was permitted to preach only in German..." (A History of Congregation Beth El, 1900)

Lucky for many of us (that are not trilingual), the rules changed and the Union Prayer Book was adopted before the turn of the century. This month, more than 150 years after the demand for German was still present, our members speak various languages, come from lots of different places, and together we will hear the wise and thoughtful words of our clergy during the High Holidays in English....at least I hope so.

TISHREI 1 – 10 (Sept. 29 – October 9)

10 TISHREI (October 8 – 9)

YOM KIPPUR: THE DAY OF ATONEMENT

15 – 21 TISHREI (October 13 – 20)
SUKKOT: THE FESTIVAL OF BOOTHS

- We build a sukkah (on Temple's back patio), shake the lulav and etrog, and come together for rejoicing in the fall harvest on this holiday that specifically commands that we be happy!

22 TISHREI (October 20 – 21)

SIMCHAT TORAH: CELEBRATING OUR TORAH

- We come together to celebrate making it all the way through our Torah yet again—we dance with the Torah, move seamlessly from the very end of the Torah back to the beginning, and consecrate the children beginning their Jewish journey with Masa.

STORIES OF SURVIVAL AND INSPIRATION

YOM KIPPUR – WEDNESDAY, OCTOBER 9

1:45 PM IN THE CHAPEL

For the past few years, we have spent time together to listen and learn from the gripping stories shared by some of our Temple members. This year, our powerful Yom Kippur afternoon will include another opportunity to absorb the emotional lessons learned by two more Temple members. Although their experiences are unique, survival comes in many forms – and Yom Kippur is the perfect time to gather as we seek the inspiration that will carry us into 5780.

Ellen Kahn will describe her experience as an 11-year-old child on the Kindertransport, rescued from Germany just one week before the war began. And **Lilly Epstein Stotland** will explore the harrowing moments just after the 9/11 attack in New York, when she had to walk through unimaginable suffering toward safety.

Each of us is on our own journey through life, and we are confident that you will walk away from this program uplifted in spirit, confident in heart, and more connected to your Temple community and the Jewish spirit that pervades us all.

CHILDREN & YOUNG ADULTS: Children and college students up to age 25, or dependents living in a member's household, will not be receiving a High Holiday ticket. These groups are welcome to enter with their parents. brand new Machzor, as we prepare to utilize these new books in the future.

COURTESY TRAVEL FORMS: Members (in good standing) planning to be out of town for the High Holidays may request a Courtesy Form from our office entitling them admission to any Reform Temple affiliated with the Union for Reform Judaism. Arrangements must be made in advance.

PARTICIPATE IN TBE'S "CAN-DEMONIUM"

Temple Beth El will again join area congregations in answering the needs of the hungry in our community by participating in Yad Ezra's annual Yom Kippur Food Drive. You can take part with the gift of canned goods and/or a cash donation. Yad Ezra food bags and donation envelopes will be distributed on Rosh HaShanah. Fill your food bags with non-perishable, preferably kosher, items. Suggested items include canned fruits and vegetables, coffee, oatmeal, peanut butter, rice, sugar, tea bags, tuna and pasta. Bring your bags to Temple on Yom Kippur morning and drop them off at our "Can-demonium" vans. Cash donations may be mailed to Yad Ezra in the envelopes provided or brought to Temple on Yom Kippur morning and deposited in the specially-marked Yad Ezra containers. Your donations will be deeply appreciated by those in need in our Jewish community. **For more information contact Danielle at dgordon@tbeonline.org or 248.851.1100.**

DEFENDING THE "UNDESIRABLES:" *Detroit Jews and the Fight for Immigrants*

Presented by Robbie Terman, Director of the Leonard N. Simons Jewish Community Archives. The Michigan Alien Registration Act of 1931 gave immigrants a choice: register or be deported. Supporters said it was an act to protect the people of Michigan; Detroit's Jewish leaders said otherwise. This is a story of how the Jewish community fought the law on multiple fronts: in the courtroom, on the pages of the Jewish Chronicle and from the pulpit of Temple Beth El.

Generously sponsored by Dr. Robert and Mrs. Joan M. Jampel.

BITES AND BOOKS **Witness: Lessons from Elie Wiesel's Classroom**

By Ariel Burger
**TUESDAY,
 OCTOBER 29**
 10:00 AM / 6:00 PM

**Facilitated by Rabbi
 Mark Miller.** Elie Wiesel

was a towering presence on the world stage—a Nobel laureate, activist, adviser to world leaders and the author of more than forty books. When asked, Wiesel always said, "I am a teacher first." He taught at Boston University for nearly four decades. With this book, Ariel Burger—devoted protégé, apprentice, and friend—takes us into the space of Wiesel's classroom. Bringing together never-before-recounted moments between Wiesel and his students, *Witness* serves as a moral education in and of itself—a primer on educating against

indifference, on the urgency of memory and individual responsibility, and on the role of literature, music, and art in making the world a more compassionate place.

STRANGERS IN OUR MIDST

A night of Jewish Learning about the crisis on our southern border. Temple Beth El was proud to host the community for "Strangers in our Midst" on Thursday, August 1. Presented by Reform, Conservative, Orthodox, and Humanistic rabbis from across Metro Detroit. In partnership with JCRC / AJC - Detroit and ADL - Anti-Defamation League.

Our TBE bike team slow rolled over Detroit streets and experienced a unique perspective of our great city!

We sure know how to have a blast!

As camp winds down, we reflect on a summer of friendship and fun. Monday sing was a great community builder. The slip 'n' slide on our new grass hill was a fun new addition this summer. The Detroit Circus came to town and the children loved it. Amy Kessler, our fearless camp director, did a excellent job and she added many new activities this summer like our awesome Teddy Bear Picnic. Thank you Amy and Mia for all of your hard work.

THIS YEAR (5780) THE THEME OF MASORET IS *THE LAW: HOW DO WE RESOLVE OUR DISPUTES?*

OCTOBER 27

MASORET OPENING SESSION

RABBI MARK MILLER

Senior Rabbi, Temple Beth El

JEWISH LAW

Although our Reform Movement has long prioritized the ethical side of our tradition, Judaism has been a legal system for thousands of years. We will enter a year of discussion about law in America by learning how Jewish law provided an important foundation in the development of our legal system in the Western World.

NOVEMBER 24

JUSTIN LONG

Associate Professor of Law at Wayne State University

**LEGAL PLURALISM:
INTERPRETATION AND
DISSENT IN JEWISH AND
AMERICAN LAW**

In this session we will consider the ways that minority opinions find voice in pluralist legal systems.

DECEMBER 15

LAURIE MICHELSON

United States District Judge

THE COURTS

Judge Michelson will provide an overview and breakdown of the state and federal court systems and discuss the various ways in which civil lawsuits and criminal prosecutions are resolved.

JANUARY 26

CHIEF JUSTICE

BRIDGET MCCORMACK

Michigan Supreme Court Chief Justice

**ONE COURT OF JUSTICE:
THE MICHIGAN SUPREME
COURT'S CONSTITUTIONAL
ADMINISTRATIVE ROLE**

People are generally familiar with the Supreme Court's decision-making function, but less so with its administrative function. But through its support and governance the Court affects the way the public experiences all the courts of the state and the very justice they receive there. From technological support, to problem solving methodology to access to justice, the Supreme Court can enhance the way our communities resolve their disputes.

MARCH 1

AMY BYER

Domestic and Family Attorney

**THE COLLABORATIVE
DIVORCE PROCESS**

Discussion will focus on differences between the Collaborative Divorce Process and traditional litigated divorce. This alternative process encourages more amicability, less contention, and is more in line with Jewish values.

MARCH 22

PATRICIA LUBNER

Immigration Attorney

**NAVIGATING THE COMPLEX
WORLD OF IMMIGRATION**

A discussion of changes in the law, impact on immigrants nationally and locally, recent media coverage, and myths/facts about immigration.
