

## Camp Beth El Summer of 2022

Dear Families,

We are proud to announce our plans for TBE ECC Summer Camp 2022. We have been successful running a safe school program this year and look forward to doing the same for our camp program and welcoming back many of our families. Here is what you need to know:

- We anticipate continuing to follow Covid-19 Safety protocols that include maintaining pods and wearing masks.
- Camp begins at 9:00 am. There will be a choice of two dismissal times, 12:30 and 3:00.
- We will be running three 2-week sessions and one 1-week session (Safety Town will only be offered during the 1 week session). Within those sessions, students will be in pods while indoors.
- Within each session there will be a choice of attending 3 days (MWF) or 5 days (M-F)
- Please submit your application by April 1, 2022 to save your spot. After April 1st we will accommodate as space allows.

<p style="text-align: center;"><b><u>Camp Beth El</u></b></p> <p style="text-align: center;"><b>For 18 months—Rising Kindergarteners</b></p> <p>Camp Beth El is a day camp for our members, preschool families and community. During our camp day we teach children age appropriate social and emotional skills along with developing fine and gross motor skills</p> <p>The day will be filled with fun activities such as science, art, music &amp; movement plus so much more. Outdoor water play is a favorite of our campers and staff.</p> <p>Each session has fun themes that help us encourage creativity, sharing, and behaviors that are safe and positive. Themes may include Down on the Farm, Treasure Hunters, Maccabia Sports, Edible Engineering, and Camping Fun!</p>	<p style="text-align: center;"><b><u>Safety Town at Camp Beth El</u></b></p> <p style="text-align: center;"><b>For Rising Kindergarteners Only</b></p> <p>(offered Session 4 only, this is the only camp option for Kindergarteners for this week)</p> <p>During Safety Town, your child learns how to be safe in his / her community. The program is taught in a fun and engaging way and the skills are reinforced using a child-sized Bloomfield Hills "town."</p> <p>The curriculum covers using bike helmets and booster seats, tricky people, fire &amp; water safety and pedestrian safety. Songs, games, stories and art projects help to reinforce the lessons.</p> <p>The goal of the program is to help children evaluate "safe" from "unsafe" situations when confronted with potentially dangerous conditions.</p>
