

The Sisterhood is an affiliate of Women of Reform Judaism (WRJ), an international federation of more than 500 Sisterhoods with over 75,000 members.

WRJ strengthens the voice of women worldwide and empowers them to create caring communities, nurture congregations, cultivate personal and spiritual growth, and advocate for and promote progressive Jewish values.

Our Sisterhood earned the Or Ami, "Light of My People" Award at the national leadership conference. This award recognizes exemplary social justice, community service, and educational programming.

Come visit the Judaica Shop for all your Judaic life cycle events – open Tuesday mornings, Sundays during *Masa*, also by appointment.

We are the voice of women worldwide.
